Connacher Oil and Gas Limited is a Calgary-based exploration, development, production, refining and marketing oil company. Our major asset is our 100 percent interest in Great Divide bitumen production projects. Our first 10,000 bbl/d SAGD project ("Pod One") is currently operational. Algar is the company's second 10,000 bbl/d bitumen production project. It was designed for further expansion, upon receipt of regulatory approvals. We also own conventional crude oil and natural gas production in Western Canada and own and operate a 9,500 bbl/d heavy oil refinery located at Great Falls, Montana. Connacher maintains an approximate 20 percent equity stake in Petrolifera Petroleum Limited, a public oil company active in Argentina, Peru and Colombia in South America. Common shares and our outstanding convertible debentures are listed for trading on the Toronto Stock Exchange.
